If, upon investigation, the Disciplinary Commission determines that "there are grounds to believe that an offense was committed by the accused," they will refer the matter for a hearing before the Judiciary Committee. At this time, the commission should (1) appoint 1-3 members to represent the Disciplinary Commission in the hearing process (2) make a complete report of the investigation to the Judiciary Committee.

If the charges concern matters of potentially serious consequences, the Disciplinary Commission may at any time place limitations on the person's ministry or suspend the person from any position of ministry until the conclusion of the hearing and of any appeals.

# Board of Finance Report

To: Covenant Presbytery in session with Milburn Chapel, March 15, 2025.

The Board of Finance (BOF) submits the following report and recommendation:

The BOF received a financial request from the Woodlawn CP Church for the purpose of renovations in the amount of \$100,000. Presbyterial finances are in good shape, thus the BOF makes the following recommendation:

**Recommendation #1: That Covenant Presbytery loan Woodlawn CP Church \$100,000.**

In other business, through our realtor (Vince Carter), we are currently under contract with an entity for the purchase of the Grace Covenant CP Church property at \$85,000. It is supposed to close on or around March 17<sup>th</sup>.

Regarding the sale of the Vaughn's Chapel property in Possum Trot, Kentucky, here is a report from the commission.

*Re: Report from the Commission on Vaughn's Chapel Congregation & Property Spring Meeting, 2025*

*The Vaughn's Chapel congregation held its last worship service in February 2024. The members of the Vaughn's Chapel session at the time of closure have been very diligent to do all things in accordance with the polity of our church. The property has been listed with an agent that was approved by the Board of Finance and the session members. Though the church property has not sold, much has been done to prepare for an easy transfer when the time of sale occurs.*

*1) The property was surveyed, and the survey recorded in June 2024. The deed for the original property was a handwritten deed (which I still have in my possession) originally recorded in 1897. There was a second deed for the property where the parsonage is located that the surveyor was able to locate. We have good plats when property transfer occurs.*

*2) The process took the greater part of a month, but working with a Calvert City attorney, the session "elected" themselves as trustees of the church property (as deemed necessary by the attorney) on October 7 and transferred the deed to the property to Covenant Presbytery. The elders signed the deed transfer on November 18. The deed was recorded (upon return from the signature of Reese Baker) in late November. We have a clear deed for easy transfer when the property transfer occurs.*

*3) According to the lawyer, we had to have a fair market value analysis in order to record the deed. Our realtor provided that, and the value of the property was recorded at \$200,000. Though we know it is worth much more than that, we also know that it is ultimately only "worth" what someone will pay.*

*4) Unlike many churches that close, the Vaughn's Chapel congregation had a healthy bank account when this process began, and all expenses to this point have been paid by or paid with those funds. The yard was mowed and maintained in great shape by the neighbor's teenage son through the summer. Both buildings have been winterized. The*

propane tanks ran empty, so we had them partially filled in the week of January 20. Though heat is not necessary, I have sought to keep a minimal amount of heat in order to keep the buildings from deteriorating quickly. After the tanks were filled, the unit at the parsonage (15 years old) was still not blowing heat on Sunday, January 26. The installer is scheduled to come this week, and make sure it is working properly (could possibly be a pilot light).

5) We had the final session meeting on Saturday, November 23 at the church. We gathered information on all members, and our information is that all have found church homes that are able to attend. Two are attending Oakland, and two are attending Marion First Church. The others seem to have found homes worshipping with family or closer to their homes. The remaining \$13,xxx in the treasury was sent to Reese Baker and entrusted to Covenant Presbytery. All utilities and insurance have been transferred to Covenant Presbytery. The propane expense was just over \$1,000.

6) Historical documents are at the church to transfer to the Historical Foundation. Susan Gore requested I contact her after I have all documents. We are still trying to obtain the session records from the last few years. The clerk has not been in good health, and the records have not been maintained in a ready format in recent years. I have asked for them as he has them, and I would retype them or rewrite them, but the clerk wants to finish what he considers his duty. He had surgery in early December, so we are still working to get those records.

7) The session requested that funds sent to presbytery be used to place a historical marker on the property. That has not been done, but that has been specified that in the listing.

8) We ran ads in the Paducah Sun for three consecutive weekends in the summer, listing the property at \$250,000 and received no contact from those. The realtor ran it in the regional catalog of homes. We had virtually no active contacts for about 6 months. We renewed the listing for 6 months and lowered the list price to \$200,000 in hopes to draw attention back to the property and to indicate we were open to negotiation. A realtor other than ours showed the property in November, but we heard nothing from them until Thursday, January 23. The realtor contacted our realtor to ask what they needed to do to make an offer, but we have not heard from them since. All we know about that person is that it is an investor who wanted to rent the building to congregations in transition.

9) Our realtor showed the property on Thursday, January 23 to Jason Runyon and his wife. They are a part of Abundant Life Church in that area. They said they have felt called to develop a mission for the purpose of helping those recovering from substance abuse and addiction. They said they just kept coming back to this property, and they are very interested. They met with a lawyer on Friday, January 24 for the purpose of trying to establish a 501(c)3 organization. We received a message from them on Thursday, January 30 that said, "We have the LLC established, and the tax info underway. We have spoken to a commercial lender. We are getting closer at least..." This sounds promising. They are very excited about the property, and the use of property in ministry would be our ultimate desire.

We will continue to work with these interested parties. Should an offer be made by one or someone else, we will contact the commission and, in conversation with the Board of Finance, will move forward with the transfer of the property.

In His Service,

R.B. Mays

After RB submitted this report, he told me that the heat and air issues have been resolved. A big thank you to Bro. RB Mayes for his work on this matter.

Respectfully submitted,  
Board of Finance
